Dear parent/carer

Many thanks so far for your support for the strategic review of support, services and provision for children and young people with high needs in Derbyshire. We are very grateful to parents/carers for contributing their views to the review so far.

For the next stage of the review, Isos colleagues will be pulling together and analysing all of the feedback and evidence that they will have gathered. Isos have already convened two feedback workshops for parents and carers. At these workshops, Isos colleagues have shared and tested the emerging messages from their initial evidence-gathering, and facilitated discussion to shape the recommendations that parents/carers would like to see come out of this review. Colleagues from Derbyshire County Council have also attended these workshops in order to discuss how they can work with parents and carers to take forward the findings of this review. Following feedback from parents/carers we have arranged an additional workshop with the same agenda and focus. The workshop will take place on

3rd December - The Lee Wood Hotel, Buxton – 10:00 – 11:30 am

We hope that many parents and carers are able to attend this additional workshop. **If you would like to attend this workshop, please visit <https://derbyshireparentforums.co.uk/partnerships/> and book onto the workshop.**

Many thanks in advance for your support for this important piece of work. If you have any questions, please do not hesitate to get in touch with Derbyshire Parent Carer Voice at, 01629533666 info@derbyshireparentcarervoice.org or Mark Emly at, 01629532969 mark.emly@derbyshire.gov.uk.

Yours sincerely

Kathryn Boulton
Deputy Strategic Director, Children's Services
